

GOOD WILL MESSAGE FROM MIRZA MD. SHAHEEN

This is my immense pleasure to express my gratitude and thanks to the patrons and sensies in Japan and convey good wishes to our students and well-wishers on the eve of third anniversary of Hana Japanese language school.

Our school, Hana Japanese Language School, since its establishment, has always been trying to give its best effort to make a student eligible in respect of language as well as giving the primary knowledge about Japan's unique culture and heritage. We can proudly claim that our students are not only doing excellent result in every course ending test but also achieving distinction in Japanese Language Proficiency Test (JLPT). We have so far helped a good number of our students to get eligibility from well reputed sponsor schools located in different prefectures of Japan like Tokyo, Osaka, Saga, Fukuoka etc. who succeeded in going to Japan and presently studying Japanese in respective schools. After completion of the language course they will become quite capable of getting admission in any college or university for higher studies.

Besides, there are various other purposes of studying Japanese depending on individual needs, to work for a Japanese company, to know Japanese culture more widely and deeply etc. In the recent years Japanese corporations are showing increasing interest in hiring talented foreign employees. Foreign companies, in order to expand their business activities in Japan, are also inclined to hire more foreign employees who have studied in Japan. So the scope of career building in Japan is growing rapidly, but the most essential criteria is to know Japanese.

Hana Japanese Language School with its qualified and experienced teachers and most appropriate curriculum is committed to make its students really able to use Japanese language effectively. The course is designed to meet the needs and desires of the students and with the aim to help them acquire high level of useful and practical Japanese in a short time.

I wish all our students build up a bright career and succeed in life. May your dreams come true.

With best wishes,
Mirza Md. Shaheen
